Dear Scholarship Applicant,

One of the Foundation's goals is to secure and distribute monetary gifts that fulfill its commitment to excellence in education. Providing scholarships to students who are goal orientated, hardworking, willing to be involved in community service and extracurricular activities is a major focus of this commitment. We are offering a hand up to those who qualify for our scholarships and maintain the standards we require. All students who will be entering grades K-12 are welcome to apply. The eligibility requirements are listed below.

If you do not file a tax return, we ask for proof of State benefits such as AHCCCS, Disability Benefits or Arizona SNAP (food stamps) program benefits. **The statements for these items must include the income they used to calculate your benefit amount.**
4. Must attach a copy of last semester's report card- Must have GPA of 2.5 or higher.
5. To qualify for a scholarship from the Pappas Kids Schoolhouse Foundation, a student must qualify for the national free or reduced lunch program using the income guidelines. (To see if you qualify please see included sheet).
6. If the student is transferring from a public school, please fill out and include the "public school verification form" that is attached.
7. Students who are applying for funding will need to provide copies of award letters from any other STO whom awarded the student "Corporate Low income or Switcher/Plus" funding in the previous year.

Awarding of Scholarships:

1. All awards will be determined by the Pappas Kids Schoolhouse Foundation Board of Directors. These awards are based on academic merit, financial need, community involvement and extracurricular activity participation.
2. Awards will be for one or more academic years at the private school of applicant's choosing. Intentions to fund more than one year can be made by the Board of Directors based upon student's performance and maintaining eligibility including a satisfactory GPA.
3. All scholarship awards will be paid directly to a qualified private school on behalf of the student, to be applied to his/her tuition only.

It is our mission to provide scholarships to students of low income families offering opportunities to excel in an educational environment they otherwise could not afford.

"A school tuition organization cannot award, restrict or reserve scholarships solely on the basis of recommendation. A taxpayer may not claim a tax credit if the taxpayer agrees to swap donation with another taxpayer to benefit either taxpayer's own dependent."

Empowerment Scholarship Account (ESA)

The ESA statute (A.R.S. §15-2402(B)(3)) requires that while a parent has a contract with the ESA program, a student cannot receive both ESA and STO money for the same period. The ESA program has clarified that a student may utilize an STO scholarship up to the start of ESA funding. Funding from the ESA program is on a quarterly basis and begins in the quarter following acceptance to the program. Once ESA funding begins, any outstanding STO scholarship money must be refunded by the private school to the STO.

By signing below your school confirms that if a student should apply and receive any ESA funding in the same period they were awarded a Pappas Kids Schoolhouse Foundation Scholarship, Pappas Kids will be notified and all funds awarded will be returned to PKSF.

I confirm that the student listed below is not receiving any Empowerment Scholarship Account funding currently. Should my student accept this type of award I also confirm that I will notify the Pappas Kids Schoolhouse Foundation immediately and understand that accepting any ESA funding during the same period will void the Pappas Kids Schoolhouse Foundation Scholarship award provided to my student.
