Saint Mary's Catholic High School
Tuition Assistance Information
2019-2020

Below is a list of several **STO's (School Tuition Organizations)** we partner with. Please review eligibility prior to applying. A full list of Arizona STO's is available at www.azdor.gov Tuition assistance can only be applied to tuition. Saint Mary's 2019-2020 tuition rates will be available February, 2019.

Families are responsible for uniforms, lunch, athletic, fundraising and parent volunteer fees

Important information regarding documentation to include with each application

Public/Charter School students attending Saint Mary's for the first time in 2019-2020: In order to be considered for various categories of funding with each STO you must include a copy of your applicant students public school attendance verification form from their public/charter school attendance office. This form is available on SM website and in the office. This form is only used for financial aid purposes.

Current Private School students: In order to be considered for various categories of funding you must include a copy of your student's aid award letters from any previous school year. Verify on the award letter the "type" of funds the award was granted from. If your student has previously received Switcher and/or Corporate funds, be sure to include copies of those award letters to each STO.
