2019-2020 Tuition Rates available February 2019

Tuition Assistance Process
2019-2020

Student(s) eligibility for level of tuition assistance is determined by demonstrated financial need using your family's household size & income tax returns. The income eligibility chart below is a guide to help determine the "type" of aid sources your student is eligible for. Opportunities do exist if your income is higher than the amounts listed.

Arizona Corporate Tax Credit Income Guidelines		Effective for School Year 2018-2019
Household Size		Annual Income
2		\$56,334
3		\$71,120
4		\$85,905
5		\$100,690
6		\$115,475
7		\$130,260
8		\$145,046
Add for more		\$14,785

Be prepared to have the following documents available during the application process:

- 2018 W-2's and/or 1099's
- 2018 Income Tax Returns (With All Schedules)
- Pay Stubs for the Last 30 Days (If applicable)
- All Other Documentation to Support your Income, if applicable (SSI, food stamps etc.)
- Debit/Credit Card for application fees for a few organizations (estimated total \$50-90)
- 8th grade private school students- copies of tuition assistance awards received during 8th grade or any previous year your student received aid from a private school.
- 8th grade public school students- public school attendance verification (document will be provided in January at High School Placement Exam days and on SM website)
- Previous award verification (letters parents received from STOs informing of awards for 18-19 school year)

Important information to know about tuition assistance:

- STO (School Tuition Organization)
- Tuition Assistance Deadlines
- File 2018 Income Tax Returns early!
- Food Stamps and Social Security income received must be provided as proof of income
- Tuition assistance can only be applied to the tuition costs for the school year
- It is encouraged to apply to as many STO's that your family qualifies for
- Some applications take into consideration GPAs, leadership and community service
- School and uniforms fees are at the cost of the family
