

Dear Saint Mary's Families,

In response to the announcement from Governor Doug Ducey to extend school closures, and with direction from the diocese, the Saint Mary's campus will remain closed through April 10. All classes will continue online through our distance learning program.

I will continue to provide you with updates when they become available via email and our website.

Lastly, I encourage you to visit our distance-learning resource website (<https://smknights.org/online-learning/>) to watch a new video message from Father Robert Bolding.

In Christ,

Kevin Muir, principal
