

St. Mary's Annual Sports Physicals at Rehab Plus

Dear St. Mary's Family:

Due to the COVID 19 pandemic, the sports physicals that Rehab Plus performs every year in May have been postponed. We will be providing the physicals at a later date, hopefully, in the summertime. In the meantime, if your student athlete has any injury issues or questions feel free to call us at (602) 954-7742. Gerard Moots, the athletic trainer at St. Mary's, is working with us to coordinate the management of St. Mary's athletic medicine during this crisis. Stay safe and stay strong!

Your Friends at Rehab Plus.
